DIS 2012 – Bulletin 1

Dear Colleague,

DIS2012 will take place 26–30 March 2012 in Bonn. The talks will take place in and around the Physics Institute of the university, which is located in the Poppelsdorf area of Bonn. Bonn, the former capital of the Federal Republic of Germany, is located 30 km south of Cologne on the Rhine river. It is the birthplace of Ludwig van Beethoven and the university looks back on an almost 200 year history. Heinrich Hertz taught at the university in the 19th century and the development of the Physics Institute was strongly influenced by its director Wolfgang Paul who won the Nobel Prize in 1989.

Plenary sessions are foreseen for 26 and 30 March, while parallel sessions of the various working groups will take place from Tuesday to Thursday. Summaries of the working group sessions will be given by the convenors on Friday.

Further information about the workshop can be found on the website:

<http://dis2012.uni-bonn.de>

Abstracts for talks should be submitted to Indico. The link can be found on the web page. The relevant working group convenors should also be contacted. A list of the convenors can be found on the web page. The large experimental collaborations have also been contacted directly in order to request abstracts.

The conference fee is:

- 360 € if paid before March 01, 2012
- 400 € after this deadline

Students pay a reduced fee of:

- 180 € before March 01, 2012
- 200 € thereafter

The fee includes the expenses for lunch, coffee, excursions, welcome reception and medieval banquet.

The fee can be paid either:

- by bank transfer to the following account:
Recipient of payment: University of Bonn
IBAN: DE08 3705 0198 0000 0576 95
BIC: COLSDE33
