Bonn, 20th March 2012

DIS 2012 General Information

Dear Colleague,

Welcome to DIS 2012 in Bonn! Here is some information that should help you during your stay here. Please keep your badge with you at all times, as it also acts as a ticket for meals and excursions.

Complete information about the conference can be found on the website:

<http://dis2012.uni-bonn.de>

The conference office is in the Wolfgang Paul lecture hall building, Kreuzbergweg 28, Bonn. It will be open starting from 14:00 to 18:00 on Sunday 25 March. During the conference it will be staffed from 08:00 to 19:00, except for Thursday afternoon.

On Monday and Friday we will have plenary talks. These will be held in the Wolfgang Paul Lecture Hall. The parallel sessions on Tuesday to Thursday will be held in lecture halls close by:

Working Group	Location
WG1 Structure functions	1 Wolfgang Paul Lecture Hall
WG2 Diffraction and vector mesons	7 Lecture Hall, Institute of Applied Physics (IAP)
WG3 Electroweak and searches	2 Lecture Hall 1, Physics Institute
WG4 Hadronic final states	4 Small Lecture Hall, Mathematics Institute
WG5 Heavy flavours	5 Drawing Room, Mathematics Institute
WG6 Spin physics	3 Lecture Hall, Institute of Physical Chemistry
WG7 Future of DIS	6 Seminar Room, Bethe Center for Theoretical Physics

For the location of the joint sessions, please see the detailed programme.

Speakers should be able to upload their talks to Indico directly:

<https://indico.cern.ch/conferenceTimeTable.py?confId=153252>

Please contact the conference office in case of problems. There is also a laptop in the conference office with the same setup as those used in the lecture halls, so you can check that your talk looks OK. We strongly recommend PDF format for your slides, but also accept Powerpoint and OpenOffice/LibreOffice.

Each participant will receive personal wireless connection information in the folder which you receive at registration. If you are registered with Eduroam, that is also available.

Lunch will be provided and will take place in the Poppelsdorf Mensa about 300 m walk from the

conference – just follow the signs. You have a choice of 3 different main dishes, one of which is vegetarian.

The welcome reception will take place on Monday evening, also at the Poppelsdorf Mensa. The conference dinner will be on Wednesday. Buses will leave from the front of the Physics Institute (Nussallee) at 17:30. We expect to be back at the institute at about 23:00. You should already have indicated if you would prefer a vegetarian meal during your registration. Please inform for conference office of any changes.

Thursday afternoon is foreseen for excursions. A number of different trips have been planned. Please sign up for the excursions in the conference secretariat by Monday evening. More information on the destinations can also be found there. The buses for the excursions will leave at 14:00 from in front of the main entrance to the Mensa.

Accompanying persons are welcome to join the conference participants at all the social events. Prices are available on the conference web page and in the conference office.

Hoping you have a rewarding and enjoyable time in Bonn.

Yours sincerely

Ian C. Brock
